Collection Features: Urban living is defined as surrounding oneself in a modern environment, refurbished building or studio/loft. A natural feeling created by the living space as well as the furnishings that attribute to it. The essence of the urban living furniture is its unique ability to fit many different styles- Rustic, casual, contemporary- A mixture of materials with distressed finishes and textured fabrics. Sonoma Road is the essence of Urban Living styling with a weather beaten bark finish combined with metal accents throughout the collection.
