Collection Features: Urban living is defined as surrounding oneself in a modern environment, refurbished building or studio/loft with a natural feeling created by the living space as well as the furnishings that attribute to it. The essence of the urban living furniture is its unique ability to fit many different styles- rustic, casual, contemporary - a mixture of materials with distressed finishes and textured fabrics. Clean lines and small scale create the perfect balance for condos, lofts, or second bedrooms. Tanners Creek features solid wood picture framed cases with melamine tops, fronts, and sides. The melamine provides a surface protection against scratches and wear and tear.
